Parking Space

No power or water will be provided. Food trucks will be assigned a specific parking space in the parking lot. Food trucks are not allowed to park in any other space or block other food trucks. There are 4 parking spots that will be allowed for rental a week at a time, Monday-Sunday.

Noise Level

Food trucks must comply with city noise ordinances and keep the noise level to a minimum. This includes generators and any music played from the food truck.

Waste Disposal

Food trucks must provide their own trash and recycling containers. All waste must be properly disposed of at the end of each day. The parking lot will NOT provide a dumpster for food truck waste disposal.

All signs displayed on food trucks must comply with Hurricane City's Sign Ordinance Sec. 10-36-3. Food trucks are allowed to display their business name and logo on their vehicle. No other advertising is allowed in the parking lot.

Violations

Failure to comply with any of the policies listed above may result in revocation of the food truck's permit to operate in the parking lot.

Restrictions

Hurricane City reserves the right to restrict or limit the operation of food trucks during certain weeks or periods of the year, particularly when there are special events or festivals taking place. These restrictions are often put in place to manage the flow of traffic, ensure public safety, and provide a better experience for attendees of the events.
