

Hurricane Recreation Dance Spring 2026

Welcome Dancers, Cheerleaders, Singers and Parents!

Here is everything you need to know for our Spring 2026 session of dance!

PAYMENTS: If you signed up for the payment plan, payment is due on the 1st of every month, and the first payment will be September 1st.

CLASS ATTENDANCE: Attendance in class every week is very important. When a student misses, they get behind on choreography and technique. It is very hard to get dancers caught back up without neglecting the rest of the class that already learned the choreography. We ask that our dancers please be at class, and on time, unless sick. ***Before class starts- dancers please grab a drink, use the restroom and finish any snacks- no eating or chewing gum in class.*** 😊

If you do miss a class you can ask your teacher for a video or ask if you can take a video of the dance for your dancer to catch up on choreography at home.

Important We installed windows in the doors so you can watch your dancers from the hall! YAY! Please do not go in the classrooms until the teacher invites you in to watch or record the dance at the end of class. (Creative Movement classes- if your little dancer needs you the first week or 2 of class you can join, after that please wait in the hall during class). Thank you!

DANCE ATTIRE: Each class has different attire and can be found on your emailed receipt or by asking your dancer's teacher the first week of class. Classes may require different dance attire depending on which style of dance they will be learning and performing in the recitals. (Dance attire is not included in the costume fee that was paid at time of registration). We have some items for sale in the office, or Tori (Dance Coordinator) can help point you in the right direction of where to purchase items if you have any questions!

COSTUMES: These were paid for at the time of registration so you are all set! ***NEW* As of last session- dancers will be taking their costumes home after they have been tried on, so please put the costume in a safe place-preferably hung up so it does not wrinkle. Please DO NOT let dancers play/wear the costumes until dress rehearsal and recital time. We do NOT have extra costumes/accessories if any get lost or damaged.** Also, we will be ordering costumes soon to ensure they arrive on time, so if you have any last minute comments on your dancers costume size please come let Tori know! (We will be ordering the size that was put down at time of registration).

Thank you for being a part of our dance family! This is going to be an amazing session!

Cut along the dotted line and return this slip back to your teacher for a treat! 😊

I read the Spring 2026 Dance parent letter and put my dancer’s recital times on our calendar!
